MEMORANDUM

Office of Administration
Division of Purchasing

TO: Laura Ortmeyer

FROM: Julie Kleffner

DATE: July 19, 2017

RE: Renewal/Amendment to the Alternatives to Abortion Program Services Contracts

The Department of Social Services has requested the Alternatives to Abortion Program Services contracts, CS170042001 through CS170042009, be renewed with a funding increase pursuant to House Bill 11, section 11.120, lines 2 through 6. Pursuant to paragraph 2.12.3 b. of the RFP portion of the contract, funds may increase at the time of renewal if funds are appropriated by the General Assembly.

The contracts are also being amended as follows:

1. The administrative responsibilities of the Alternatives to Abortion Program transferred from the Office of Administration to the Department of Social Services.
2. As a result of the transfer of administrative responsibilities, Attachment 3 is being revised to reflect the correct state agency.
3. Attachment 5 is being revised to reflect the appropriate contract period.

Due to the legislature including a rate increase in the Fiscal Year Budget via House Bill 11 (see attached) and is allowed by paragraph 2.12.3 b. of the contract, I am processing the renewal to the contracts allowing a price increase.

Additionally, 1 CSR 40-1.050 (8) states, "*Contracts awarded as the result of a competitive solicitation may be amended when such an amendment is in the best interest of the state and does not significantly alter the original intent or scope of the contract.*"

Therefore, since the intent and scope of the contract are not altered, I am proceeding to amend the contract as requested.

Thank you!

In response to (1), funding increase was based on HB 11, section 11.120 lines 2 through 6 minus 3% Governor's reserve on the general revenue portions (line 4) and per DSS upper management, line 6 funding amount was not included (if you need a copy of the HB, just let me know).

In response to (2), funding allocation approximate percentage was taken from section 3.3.2 of the RFP. This percentage was multiplied against the total funding allocation available for FY18 (HB11, section 11.120, lines 4 through 6) which gave the amount of funding for each of the 9 regions. Each region amount was based on # of awards made for each region as outlined in subsection of 3.3.2. Determination on who received the highest percentage is based on ranking from the evaluation process.

Please let me know if there is any additional information needed.

Abigail,

Question for Laclede County Pregnancy Support Center....For FY2018 the A2A program was given additional funding. Would Laclede County Pregnancy Support Center be able to spend the extra funding in FY2018 if awarded?

We are possibly looking at more than what was stated for maximum annual total price on the contract award page from OA. DSS wants to make sure everyone can use the extra funding without lapsing any.
